

2003 World Cruise

CRYSTAL SYMPHONY
WONDERS OF THE SOUTHERN SEAS

Sunday, February 16, 2003

Greetings Antarctica and Australia Adventurers,

Thank you all who gathered yesterday at the Goulash Soup party and for assembling together for the photo to send to Bernadine Berger. Our thoughts expressed in the get well card along with the photo can't help but give her a lift. She and Dick are still planning on returning to the ship prior to the end of the World Cruise. Stephen Shroff, Front Office Manager, is departing the ship in Valparaíso for vacation. As he is flying to States, he will post the greeting card for us, hopefully assuring its arrival at the Berger home.

We won't soon forget the scenery seen today. There were so many spectacular moments hardly describeable in words. The best memories will be what we saw with our own eyes.

Should continued beautiful scenery and sights not be enough to top off your day tomorrow, scheduled for the evening is Celebrity Liar's Club! Don't miss Jonathan Winters, Mike Goddard, Captain Edvardsen and Cruise Sales Consultant Abigail Kowaleski in the Starlite Club at 8:00pm. This is a not-to-be missed event on Crystal Symphony!

Additionally in the morning, Cruise Sales Consultant Abigail Kowaleski and Crystal Symphony's Senior Officers will be doing a presentation on future Crystal Cruises itineraries. Check *Reflections* for the appointed time and place.

Before signing off...

What came first:

- a) The Alps or the Rockies?
- b) The fork or the spoon?
- c) The Davis Cup or the The World Series?

Wishing you a restful and peaceful night,

Rosemary Barnhart
2003 World Cruise Hostess

Answers to the last newsletter, 15.Feb.2003:

What common thread ties together the following people, places or things?

- a) Issur Demski, Bernie Schwartz, and Stanley Kubrick – *the movie "Spartacus"*.
That's Kirk Douglas and Tony Curtis the stars, and Kubrick the director.
- b) Douglas Corrigan, Roy Reigels, and Jimmy Pearsall – *All went the wrong way.* *Corrigan, having been refused permission for one of the earliest solo trans-Atlantic flights, flew to Europe after filing a flight plan to California.* *Jimmy Pearsall hit a home run for the Boston Red Sox, turned around and ran the bases facing backwards.* *Roy Reigels recovered a fumble in the Rose Bowl and started toward his own end zone, only to be pulled down from behind by one of his own players..*
