

Choices in dining. Choices in entertainment. And now, choices in pillows. It is just one more way Crystal Cruises is giving you the voyage of your dreams.

We hope it's a special feeling you experience all over your ship, at all times of the day and night—that sense that you are a special guest, a friend and traveling companion we genuinely look forward to making feel right at home.

If we can do anything else to help you enjoy a more restful sleep—and a more wonderful cruise—please ask. Knowing you experience the ultimate in comfort and luxury lets us sleep well at night, too.

You deserve luxury like this.

Your Pillow Menu.

To ensure your nights on board are as wonderful as your days, we offer the most luxurious bedding on the high seas: Egyptian cotton sheets, king-size goose down pillows and feather bed toppers. If you would like to request any additional special pillows—either instead of the king- and standard-size pillows that currently dress your bed, or in addition to them—simply ask your stewardess.

- Hypo-allergenic king- or standard-size pillow, filled with down-like polyfiber
- Round neck pillow, isotonic elastic foam-filled, for neck or lumbar support
- Firm standard-size pillow, 95% feather and 5% down
- Therapeutic sleep-sensitive standard-size pillow, 100% polyester fiber with head and neck indent
