Pre-Reserved Crystal Adventures®

Tours: All guests who have pre-reserved Crystal Adventures® will have their ticket(s) delivered to their stateroom on the first evening of the cruise. Please check departure times as these may differ from your original pre-reserved times, due to final operational requirements.

Please note that all guests participating in Crystal Adventures® shore excursions are required to have a valid booking number for the specific cruise during which the excursion is offered. We are sorry that visitors and outside guests cannot be accommodated on our tours ashore.

Please check your tickets to ensure they list the specific Crystal Adventures® shore excursion(s) which you pre-reserved. If the tour listed on the ticket(s) you receive is incorrect, please bring the ticket(s) to the Shore Excursion Office to exchange them for the correct tour. Failure to bring incorrect tour tickets to our attention prior to the cancellation deadline as advised by your on-board Shore Excursion Team will result in your being charged for the tour listed on the actual tickets you received.

Tour departures: All guests booked on a Crystal Adventures® shall be asked to gather in a specific location at a given time. The finalized times and meeting places will be listed in the daily "Reflections" the evening prior to your tour. Please note the times may differ from the times listed on this sheet. If you would like to travel together with friends or family we do suggest pre-meeting your entire party before meeting for your tour to ensure that you travel on the same bus.

Walking during Shore Excursions: Many excursions on this cruise involve an element of walking, as many of the finest attractions are located in areas not closely accessible to motor coaches. In many instances, guests are not able to return to the motor coaches once the walk begins. Please take the time to inquire as to the amount of walking on each tour to better plan your day.
